Canadian Academy of Manipulative Physiotherapy

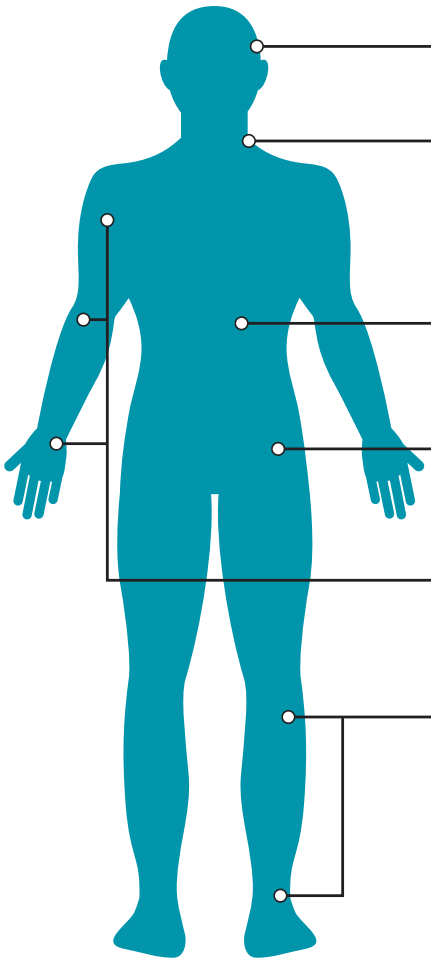
CAMPT

We help anyone with **pain or movement problems** that impact their ability to do what's important to them.

***CAMPT-Certified* physiotherapists** offer advanced clinical expertise and specialize training to help our patients:

- ***GET BETTER*** using techniques that meet international standards.
- ***RECOVER FASTER*** since we find and target the root cause.
- ***STAY HEALTHIER*** by educating them about their condition to reduce relapse.

The therapeutic manipulation techniques studied by CAMPT-Certified therapists have been shown to have positive effects for pain reduction and functional improvement in many areas, such as:



- **Head**
  - headaches
  - concussions
  - jaw pain
- **Neck**
  - whiplash
  - radiating nerve pain
  - chronic neck and spine pain
- **Mid Back**
  - shoulder blade pain
  - muscle imbalances
- **Back**
  - herniated disk
  - pelvic pain
  - degenerative disk disease
- **Arms**
  - tennis elbow
  - rotator cuff pain
  - fractures
- **Legs**
  - arthritis
  - ankle sprains
  - joint replacements

CAMPT CERTIFIED

CAMPT-Certified physiotherapists are Fellows of the Canadian Academy of Manipulative Physiotherapy (FCAMPT) that have completed extensive post-graduate education in the area of orthopaedics and have attained internationally-recognized qualifications in hands-on manipulative therapy.

As a result, we can provide accurate and focused treatment based on research-guided techniques that speed up patient recovery. We educate patients about their condition and their individual needs, reducing the risk of relapse.

The *Canadian Academy of Manipulative Physiotherapy (CAMPT)* is a professional organization of physiotherapists who have completed post-graduate training in hands on therapy treatment techniques that meet the *International Federation of Manipulative Physical Therapy (IFOMPT)* standards. We help anyone with pain or movement problems that impact their ability to do what's important to them. By delivering research-guided physiotherapy care, our patients get better, recover faster and stay healthier so they can be active in the things they love to do.
